

## STUDENT ACTIVITIES FUNDS MANAGEMENT

Student activity funds may be raised and spent to promote the general welfare, education, and morale of all students and shall finance authorized activities of student organizations and the school district.

Student activity funds are considered a part of the total fiscal operation of the school district, and therefore are subject to the policies and regulations established by the Board of Education and the office of the Superintendent. The funds shall be managed in accordance with sound business practices including sound budgetary and accounting procedures as well as audits in the same manner as regular district funds.

All savings account signature cards for classes and organizations shall be signed by the Superintendent and School Secretary.

Authorized clubs and organizations within the schools may use district facilities and equipment for fund-raising if such use does not create an additional cost to the district. If additional cost is incurred, the club or organization shall pay such cost.
