

GRADING SYSTEMS

The policies of the Board of Education specify the following distribution of letter grades of the Arickaree School:

A= 90-100
B= 80-89
C= 70-79
D= 60-69
F= 0-59

There is no provision for the use of the “curve”, so materials covered and tests are tailored for the class taught and straight numerical averages are used.

The policies of the Board of Education also specify an Honors Program, with college credit classes approved and/or sanctioned by Arickaree R-2 School District. The advanced placement courses shall be weighted as follows: A = 5.0; B = 4.0; C = 3.0.
