

PRESCHOOL/KINDERGARTEN ROUNDUP

August 7, 2020

8:00 am – 3:30 pm

Dear Parents,

Welcome to a new school year! We are excited to get to know our new crop of kids. Due to the circumstances at the end of last year, we would like to get to know our students better before the year starts in order to prepare ourselves. On Friday, August 7th, we have assigned time slots we would like to see your child for screening. If this time does not work for you, please call the office at 383-2202 ext. 101 or 102 to reschedule for that same day. You will need to bring your child to the outside classroom door on the east side of the building and wait in the chairs provided. The area of testing will be cleaned between each screening. Please bring your child's birth certificate, immunization record, and social security card for us to make copies for our records. Please note the playground areas are off limits due to COVID-19.

Thank you so much. We look forward to seeing you then.
