

Welcome Letter from Superintendent Arickaree School District  
July 2021

On behalf of our entire Arickaree team, we would like to welcome you to the upcoming 2020-21 school year. It is with great honor and much enthusiasm that we look forward to serving our students and families as we embark on another new, exciting school year.

As your new superintendent, I want to extend my appreciation and gratitude for the opportunity to partner with the entire Arickaree school community in providing outstanding learning and growing opportunities for our students. Arickaree has a long tradition of providing quality, successful experiences for students and staff. We can celebrate the return of many of our former students and community members who remember the impactful education offered at Arickaree and have joined our Arickaree staff team.

I look forward to making connections with students, staff and families throughout the school year and the positive experiences ahead for our students. We are looking forward to much collaboration in providing a safe, nurturing environment as well as high quality educational supports for all of our students.

If we can assist with any upcoming needs as we begin our new year, please don't hesitate to reach out! **TOGETHER we can MAKE A DIFFERENCE!**

My Best,  
Lisa Weigel, Superintendent
